Dear _____

I found a great website with loads of books to find out about and fun stuff to do – it's Setanta Book Clubs Online at **www.setantabookclubs.ie/kids**. I'd love to have a Book Club in our school so that our class can buy the latest books. There are great books that start at just €2. It's also a great way to get new books for our library because 20c in every €1 spent goes back to school in **FREE books**!

It's really easy to do. Setanta will send us Book Club leaflets so that you can give one to all the children to take home. Parents can either send their orders in to school or they can order online. Either way we get free books for our library.

Please can you ask Setanta to send us some Book Club leaflets! Just call them on **1800 272 321** or go to their website **www.setantabookclubs.ie/teachers**

Best wishes,

_____
